

Appendix I – Initial Fee Schedule

The following outlines an initial fee schedule as determined by the Project Owner for the administration of the Housatonic River Project (FERC No. 2675) Shoreline Management Plan (SMP) Licensing Program as submitted to the FERC in July 2006. This initial fee schedule is subject to change based on final FERC approval of the SMP.

As outlined in Section 8.3 of the SMP, costs and revenues associated with the Licensing Program will be reviewed annually, shared with the Lake Advisory Committee, and revised as needed every three years based on actual costs and revenues.

Details regarding the overall Licensing Program fee structure are contained in Section 8.6 of the SMP.
